Re: California Public Records Act Request

Dear Mr. Sinyangwe:

In your email sent June 5, 2019, you requested the following records:

1. The total number of sheriff's deputy use of force incidents, broken down by type of force used, between 2013-2018 (separated by year).
2. The total number of people that deputies used force against, between 2013-2018 (separated by year).
3. The total number of use of force complaints reported between 2013-2018 (separated by year).
4. The total number of use of force complaints sustained between 2013-2018 (separated by year).
5. The policy manual of the sheriff's department.
6. The current union contract between the city and any sheriff's deputy/police officer unions.

The statistics you seek in items 1 through 4 were not assimilated prior to 2016. The information, insofar that it exists, can be found by following the link below: <https://openjustice.doj.ca.gov/data>

I have attached Calaveras County policies 300 and 302 regarding Use of Force in response to item 5. You can find the union contract you seek in item 6 by following the link below:
